## Celebrate Clean Air Month at the Clean Air Extravaganza

Join the Wisconsin Partners for Clean Air (WPCA) on May 25 for the fourteenth annual Clean Air Extravaganza. General Mitchell International Airport is this year's host. The event will take place at the MKE Regional Business Park in Milwaukee and will include presentations highlighting sustainable features and development plans around the airport. The celebration will also feature the presentation of the annual Recognition Awards and Commuter Champion Award to honor businesses taking voluntary, innovative actions or providing extensive commuter benefits to help improve air quality. Joseph Liebau, Director of the Wisconsin Department of Natural Resources' Southeast Region, will present the awards. Event speakers include representatives from the airport, the Southeastern Wisconsin Regional Planning Commission, Gateway to Milwaukee and Aerotropolis Milwaukee.
